HOOKKAPANI STUDIO

Artwork Specification Sheet

Mona Lisa

Category: sculpture

Materials: Scrap

Dimensions: 5 ft - 1.5 m

Movement: Static

About the work

A reinterpretation of an iconic face in resin and chrome, balancing a reflective finish with sculptural mass.

Installation notes

- Site and load requirements are finalised after a technical survey.
- Mounting and motion systems require scheduled preventive checks.
- Suitability for indoor or outdoor display depends on the selected material finish.
- Weight, power requirements and lead time are confirmed for each site on enquiry.

Availability

Confirmed directly with the studio on enquiry.
